Preschool to Kindergarten Transition Sessions

Dear Parents and Carers,

Throughout Term 4 the Dolphins will be involved in our transition to Kindergarten program. This will involve informal visits to the library, participating in investigations with our Kindergarten class, having lunch with Kindergarten and formal sessions where they will visit Kindergarten as a group to spend 45 minutes with our current Kindergarten teacher, Beth Page. A Preschool educator will support them during each session.

The dates and information for each visit are as follows:

Tuesday 13 November: Focus on Literacy 2:15-3:00 (please pick up your child from the Kindergarten room)

Tuesday 27 November: Focus on Numeracy 9:15-10:00

Information regarding Kindergarten and your first week will be sent home with your child on their second visit.

On Wednesday 28 November, we ask that you please pack \$ 0.50 with your child in a clearly labelled zip lock bag or envelope for your child to spend at our canteen. They will have the option of purchasing **ONE** of the following items:

- Pikelet
- Cheesy Toast
- Small fruit cup

If you have any questions about these visits, please feel free to contact me through the front office.

We look forward to working with you in this exciting step of your child's school journey.

Kind regards,

Alyssa Owen
