GILMORE PRIMARY SCHOOL HOMEWORK POLICY

Dear Families

A core component of the Gilmore Primary School Homework Policy allows for families to decide if their children participate in the school’s Kindergarten to Year 6 homework program. Families may change this information at any time by completing a new form at the front office.

Please note that formal homework is not provided for children enrolled in the preschool year of schooling. Families of children in preschool will be invited to indicate whether or not they wish for their child to receive homework in Kindergarten during school transition processes.

More information about the Gilmore Primary School Homework Policy can be obtained from a member of the school executive team.
