Fine Motor Fun Night!!!

Are you looking for some ideas to improve your child's pencil grip?

Would you like your child's cutting and pasting skills to improve?

Concerned your child's hand writing is poorly presented or difficult to read?

Come along for some fine motor fun on Tuesday 20 February from 5:30 – 6:15pm. There will be teachers from across the school sharing their favourite fine motor activity. The activities can easily be adapted at home and are fun, fun, FUN!

Come along and develop your parenting tool kit while having fun with other families at this free event!

There will be a lucky door prize and plenty of other giveaways on the night.

Please RSVP to Lili (Lili.Jankovic@ed.act.edu.au) to assist the team with preparations.

We look forward to having some fine motor fun with you!

Lili Jankovic
Deputy Principal
